The Forest

1946 YEAR BOOK
OF
BUTTE HIGH SCHOOL

Published by the
ANNUAL STAFF
Class of '46

This is our forest primeval.
And this is our book, the story
Of our four-year journey along
The winding trail of our forest.
Within the pages of this chronicle
You may see our forest fun and
Fame and supporters; the underclassmen
Who will carry on the traditions
Which, for four seasons, have been
Our joy and our responsibility,
And our woodland guides, the faculty
Who have stood by us, ready to offer
A helping hand, should we stumble
Or fall along the twisting way.
Your journey is about to begin,
Dear reader; we hope you enjoy it.

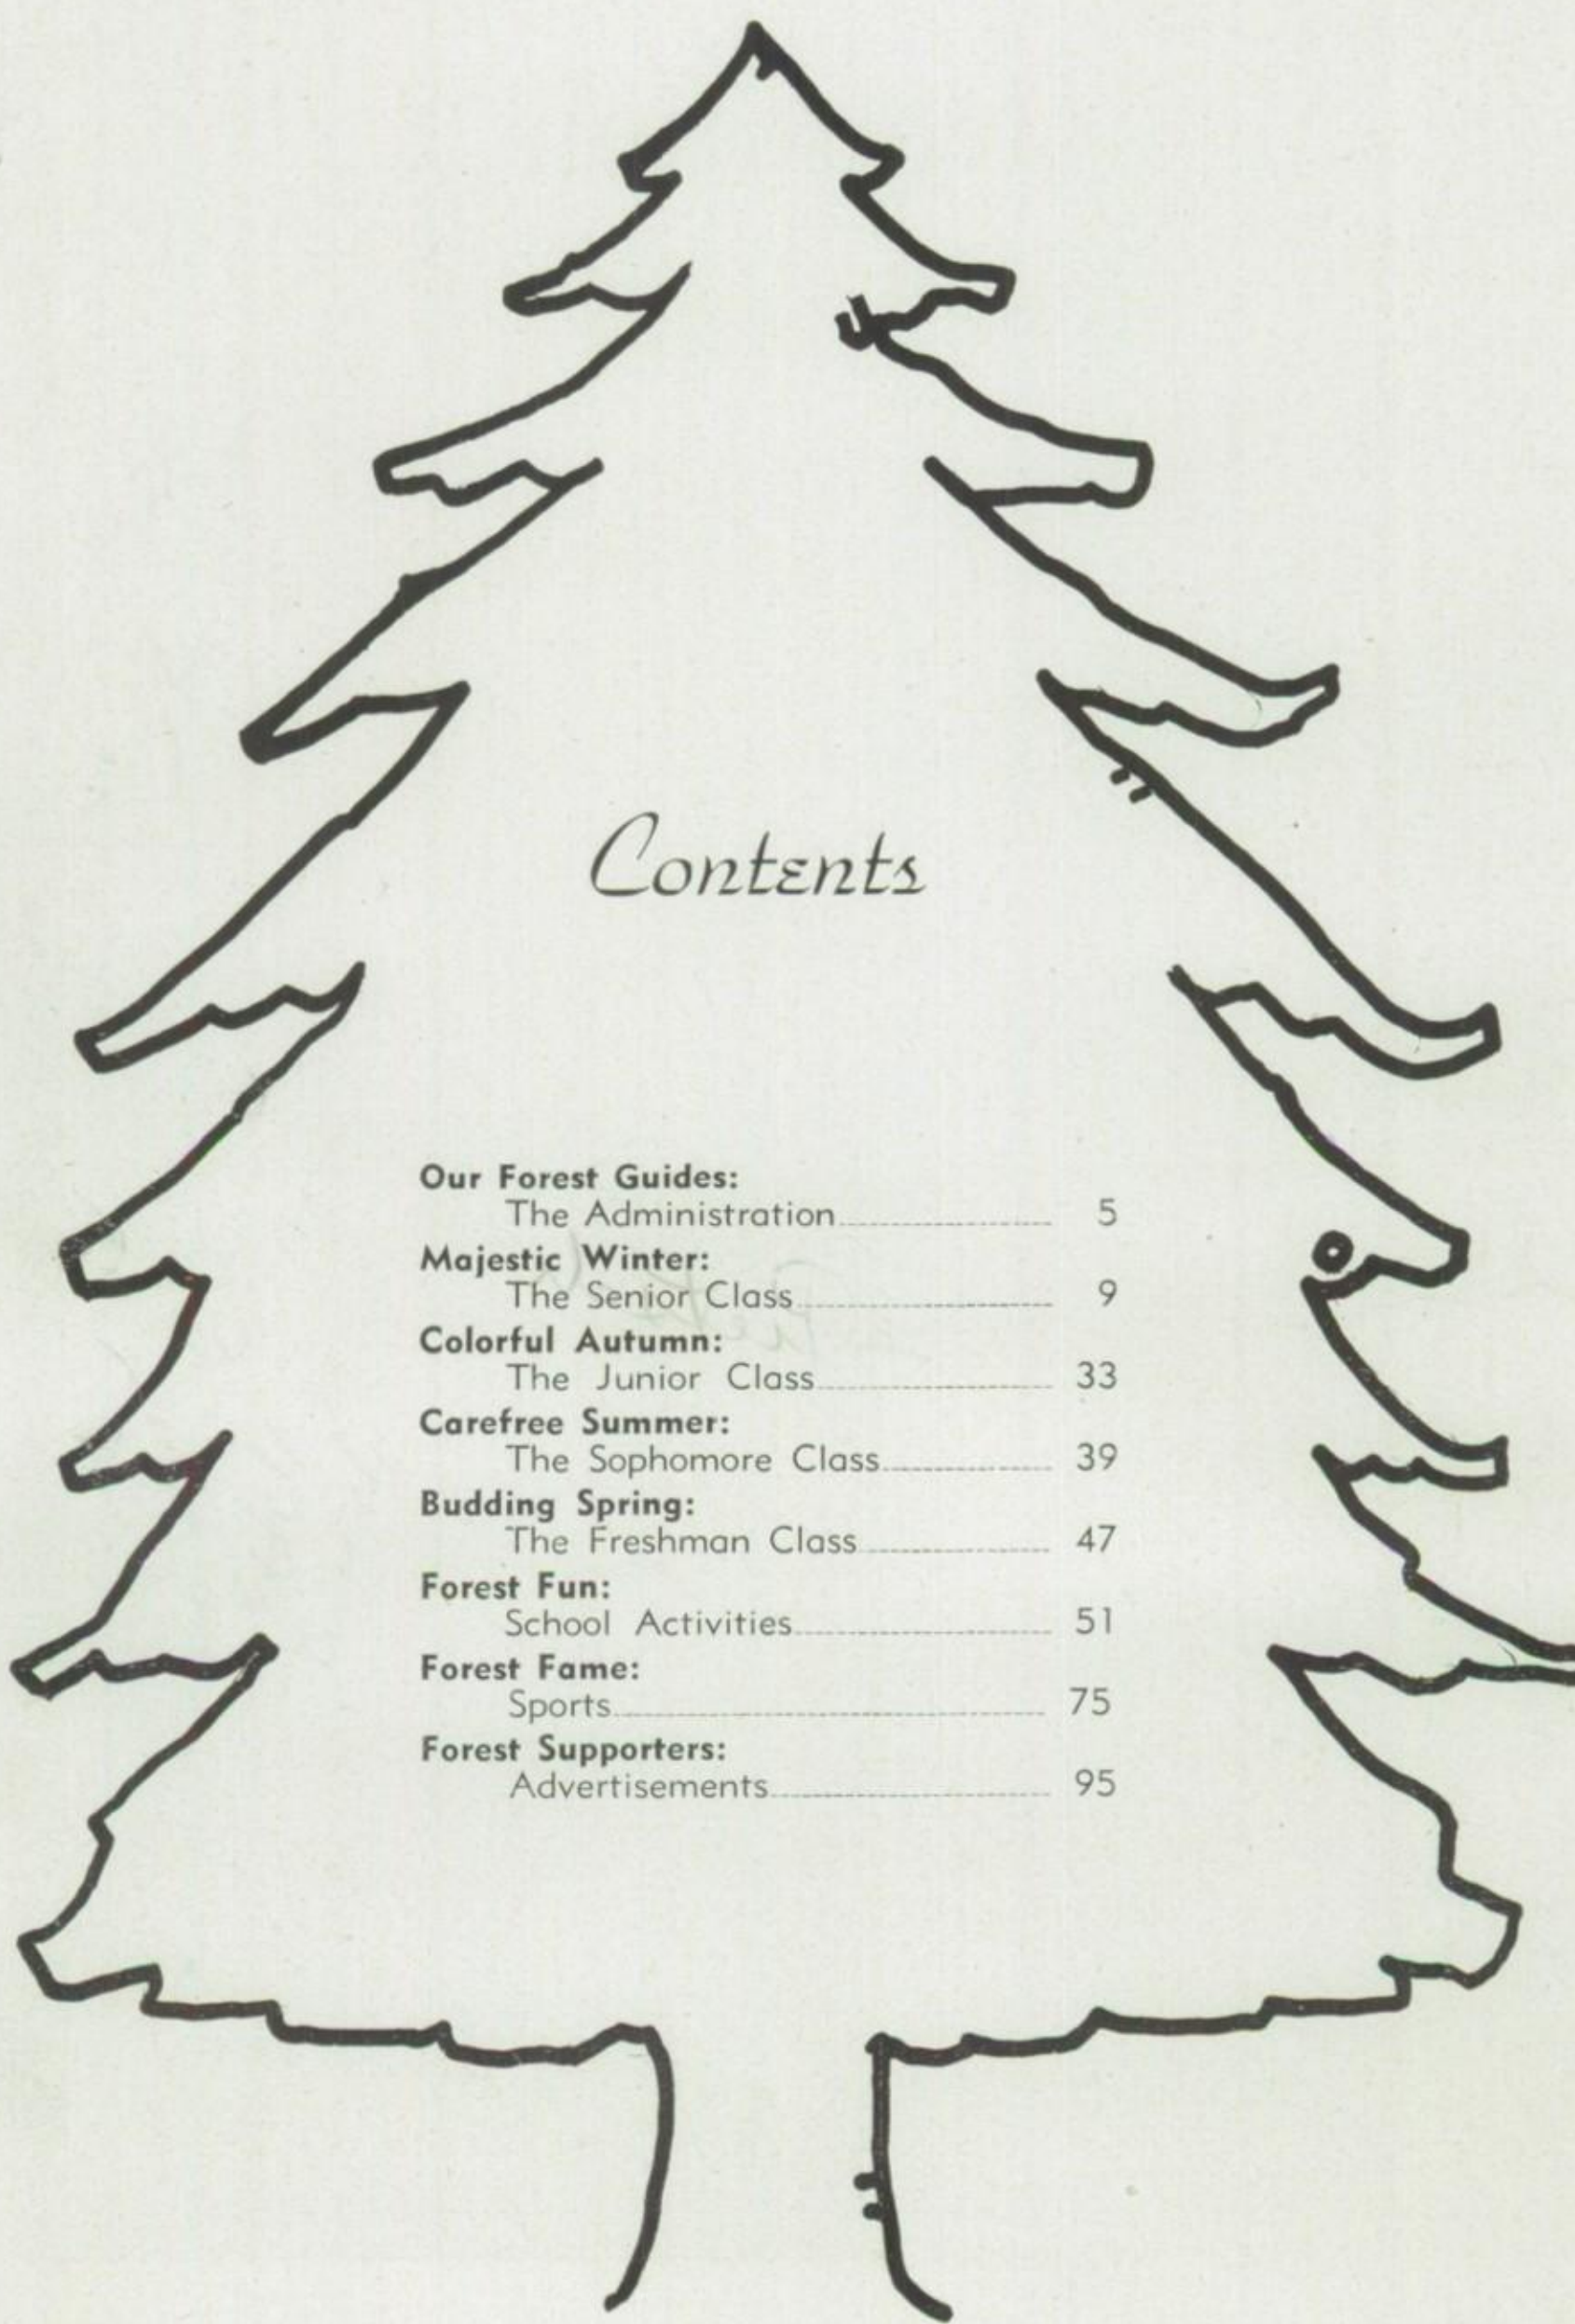

Dedication

We dedicate this Annual to you, Mr. Haney. As we have traveled through our Forest of Knowledge, we have found a new friend along the way—a trustworthy, capable person, who has pointed out the path which we will strive to follow. You are this friend. With this, our book, goes our thanks for what you have done in the past and our assurance that you will be associated with all our happy memories of high school life.

OUR FOREST GUIDES

U. S. FOREST SERVICE

As faithful and trustworthy as forest guides are these, our
faculty and administrators.

MR. LOWELL W. JOHNSON

Earning the sincere respect of the entire student body, Mr. Lowell W. Johnson is serving his eighth year as City Superintendent of Schools. Though few of the students know Mr. Johnson personally, all are aware of his helpful influence. His manner is quiet and reserved, but businesslike. His ability to see equally well both sides of a question perhaps accounts for his many friends. Mr. Johnson is truly our "friend behind the scenes."

As the leader and director of our Forest of Knowledge, Mr. Haney embodies the very principles and ideals for which the school stands. He came to Butte high school last year bringing with him new ideas and an ardent desire for getting things done. The friendly understanding and genuine interest which he has shown in the affairs and students of the school have helped to increase the spirit of cooperation and harmony. The class of 1946 owes many thanks to this man, whom they respect and are proud to call their friend.

MR. GEORGE HANEY

"Your attention, please." Almost every school day, Assistant Principal Stanley (Midge) Griffiths begins the announcements over the public address system with this command. It might easily be called his trade mark and has made his voice well known to every Butte high school students. In the office daily, Midge never fails to return a greeting. His quiet efficiency is noticed as he helps students, checks excuses, and talks to parents and visitors. That his personal interest in student affairs is constant is attested by his aid in assemblies, class activities, and games.

MR. STANLEY GRIFFITHS

MR. JAMES C. HARRIS

Popular with and respected by students and faculty alike is Mr. James C. Harris, assistant principal. He is our Forest disciplinarian. For a part of each day, Mr. Harris is a member of the faculty, as he teaches sociology with great success. He shows an interest in every student activity and a willingness to aid in promoting worthwhile school causes. His well developed sense of humor is frequently displayed, much to the delight of the students, who will remember him as a good friend.

MISS THULA RODES

Dean of girls, Miss Thula Rodes, has proved herself a loyal and hard-working member of the Butte high school administrative staff. She is never too busy to give her careful consideration to the problems confronting the students. Her helpful guidance aided our group of foresters in overcoming many of the obstacles which they met on their path through the forest. Her qualities of patience and understanding, in addition to her deep interest in student activities, have won her much respect and admiration from the student body.

Our trail would not be properly blazed without the girls in the main office, Helen Steen and Margaret Miller, two most helpful forest guides. In addition to keeping the routine journals of our trip, they have handled many additional chores to aid us in our wooded trek. We have found them ever-willing to help make our journey enjoyable.

The Forest of Knowledge

As Spring comes to the forest, new, but with its promise of growth and development, so we as freshmen entered high school, our Forest of Knowledge. The first incident of our trek along the trail of study, activity and achievement was our electing Mr. Ettore Giovanetti and Miss Marjorie Hawke trail advisers. In addition, Bud McNabb, Jean Price, Shirley Davis and Howard Gronfein were selected as guides to lead us—the tenderfoot class of B. H. S. Spiritedly we pursued the early part of our journey in the wake of our trail-blazers to the attainment of a better education. Mr. Giovanetti left before the season closed and was replaced by Miss Marie Moebus. When we paused to contemplate and predict the future we observed that quickly, imperceptibly, summer had come bringing to full foliage the trees, shrubs and flowers.

Refreshed, our group of promising woodsmen moved forward on the trail to high school fame. Leadership in this summer season was entrusted to Jim Daniel, Dan Sullivan, Peggy Fisher and June Tierney. Along the way we conquered studies and activities until our group stopped at a forest lodge to enjoy the sophomore dance. Now apparent along the winding path were the beginnings of the success for which we strove so zealously. As autumn neared, our trail-makers hesitated and thought of the twisting trail ahead.

Amidst the forest's ubiquitous beauty, our class continued on the way with Gene Wilson, Peggy Fisher, June Tierney and Shirley Trimble now in the lead. Our anticipation of leaving ever new and better landmarks was realized when from our ranks came leaders in scholarship, sports, music and other activities. Presenting a resounding assembly and a sparkling prom proved us worthy and capable in this, our junior year. Chill winds and snow flurries quickly succeeded the playful breezes which had carried away the russet, yellow and varicolored leaves from the trees. These crisp dry leaves rustled about our feet as we stopped to plan the final quarters of our journey through the boundless Forest of Knowledge.

Cheered by the brightness and majesty of the winter season with its stimulating cold days, we felt the closeness of the forest's end and were encouraged to blaze this section of the trail even more closely than we had the other three. Miss Hawke left our ranks as trail adviser and was succeeded by Miss Myrtle Stewart while the newly elected guides were Al Heimbach, Frank Zubick, Carolyn Jean Schwartz and Shirley Fordmeir. Accredited seniors now, we displayed efficiency in staging a glorious Senior Formal and a royal Coronation Festival. King Bohunkus reigned upon his throne, too, as we declared an informal holiday for pleasure and fun. Our class of '46 emerged from the Forest of Knowledge, cognizant of the fact that the return of spring would reveal our trail to be continuous with the avenue of life.

Servicemen Graduates of 1946

Forty-two members of the class of 1946 are servicemen. They earned their diplomas under circumstances much different from those in a regular classroom. Service diplomas are of three types. The first, which has the value of a regular school diploma, was earned by boys who took courses under supervision of the U. S. Armed Forces Institute while they were serving their country aboard ship, in foxholes, and in other war situations. The second, which also will be accepted by colleges, includes diplomas earned while the students were in attendance in service schools learning trade subjects. The credit for these was evaluated in terms of regular high school courses on the recommendation of the American Council on Education.

The third category is a special diploma, not recognized for college entrance, which designates that the holder has passed a general educational development test; it indicates his general knowledge is that of a high school graduate.

Donald Christman

Most likely to succeed—that's his classmates' opinion of Don Christman. Two appointments to Annapolis and honorable mention in the National Westinghouse Science Talent Search were only the beginning. This latter honor entitled him to take entrance examination for Carnegie Institute of Technology. In April he learned he had been awarded a Certificate of Merit worth fifty dollars in the Pepsi-Cola Scholarship Contest in which he ranked among Montana's twelve best entries, and that since he was among the first 25% in the National Honor Society here, he had the privilege of competing for a \$300 Scholarship. In addition to these scholastic activities, Don still had time for many outside affairs such as band, pep band, DeMolay, Luther League and an after-school job. A pleasing personality, ability to mix with people and his fine intelligence will certainly prove the students' opinion right.

Essay awards and excellent scholarship marks are her forte. She's Clara Mae Quinnell, a popular senior girl and all-around musician. Piano and violin are her specialties. This year she placed third in the essay contest sponsored by the Anti-Tuberculosis Association, which netted her fifteen dollars. In the American Legion essay contest she was second place winner. In competition for the Elks' scholarship in the state she earned honorable mention. Active in school affairs, Clara is a member of the orchestra, accompanist for soloists at assemblies, a member of the National Honor Society, and a Pepsi-Cola scholarship contestant.

Clara Mae Quinnell

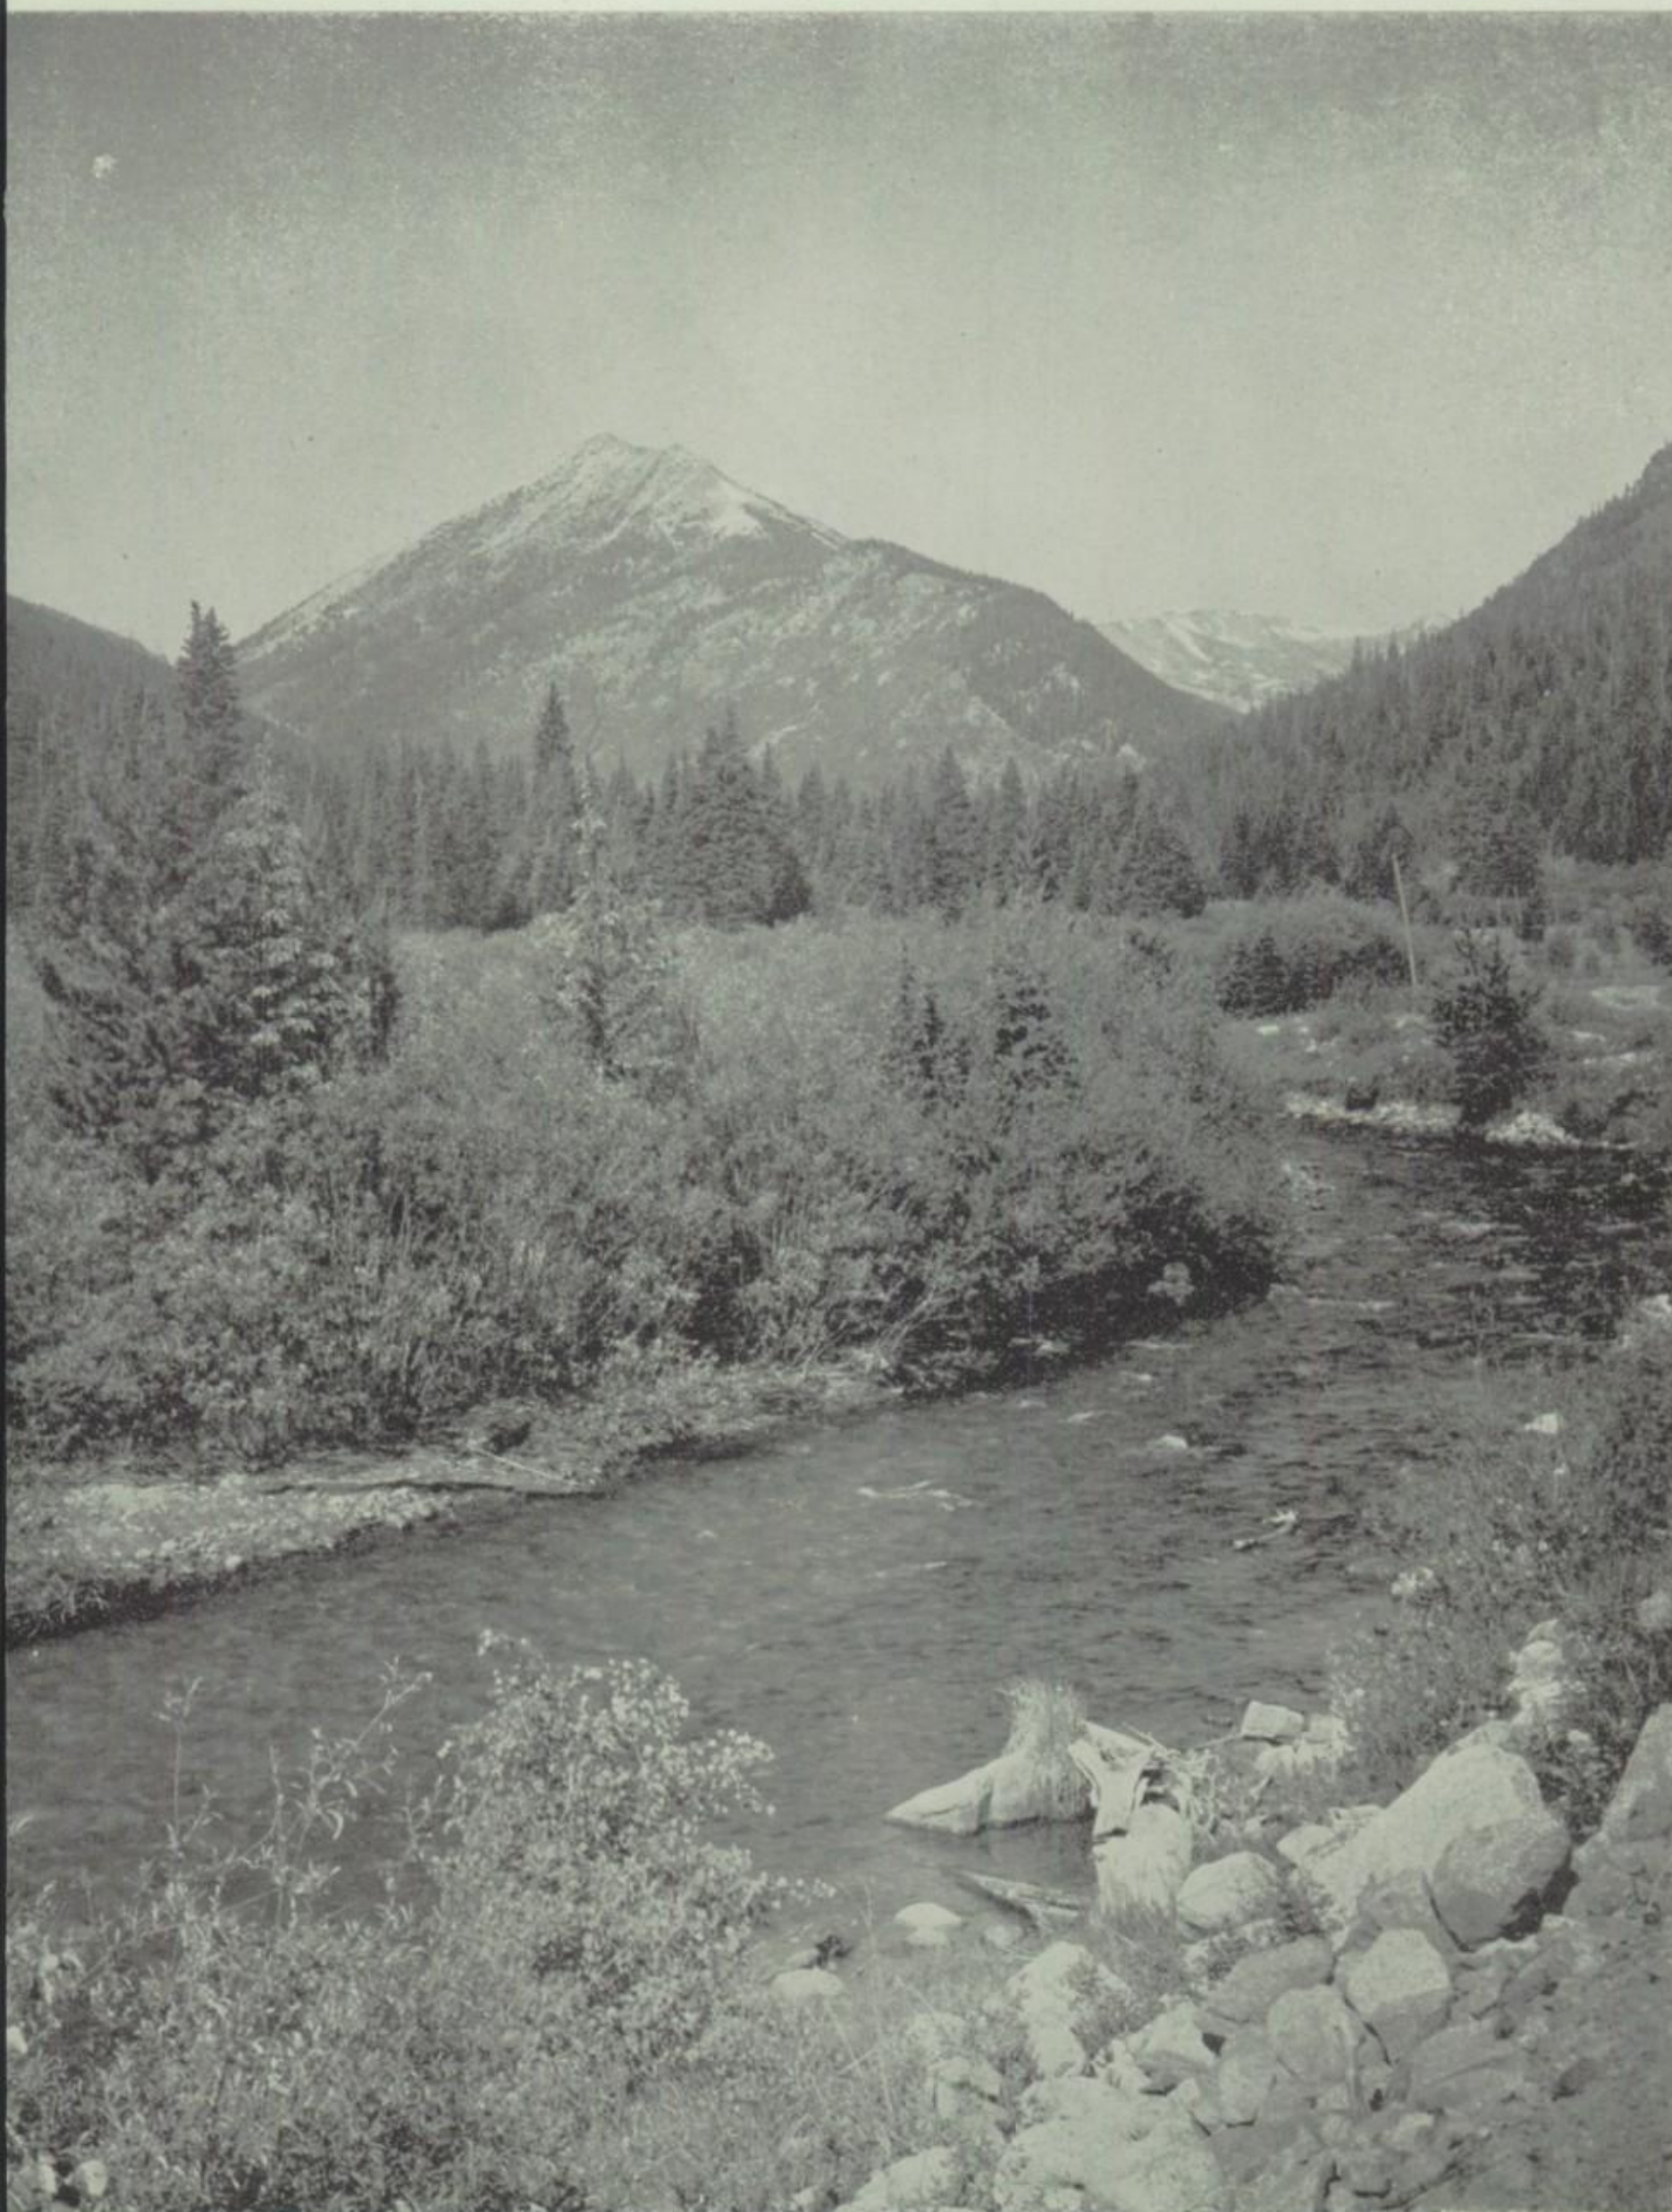

Harry Dahlberg

A "1" student and an A1 athlete is Harry Dahlberg, Butte high school senior who has proved himself exceptional both in the class room and on the football field. Harry, who ranks second scholastically in the class of '46, received honorable mention and five dollars in the Elks' scholarship competition. On the sports side he placed on the first string all-state and all-conference football teams. Harry also starred on the Bulldog basketball squad.

BOHUNKUS-46

COLORFUL AUTUMN

UNDERWOOD AND UNDERWOOD

As colorful as a pine forest intermingled with golden aspen are
the juniors and their activities.

Junior Officers

Eddie Price, president; Norma Luke, secretary; Wilene Cortese, treasurer; Bill W. Smith, vice-president.

Now with three-quarters of their high-school course finished, the class of '47 can review an enviable record. Aided by their advisers, the Misses Florence Charles and Lucy Lynch, the juniors have sponsored many activities and participated in several school projects.

In presenting the famed prom, co-operation was displayed that could be inspired only by such officers as Eddie Price, Bill W. Smith, Norma Luke and Wilene Cortese, who took charge of all arrangements. In addition the class presented a valentine dance and after-school dances in the gym.

The many students with musical and intellectual gifts and athletic skill promise a lively and original entertainment program next year. Certainly much fine talent and ability distinguish the boys and girls of '47.

Their January graduates are to be the last students to graduate in mid-term, since for the last three and one-half years no students have entered high school in January from Butte elementary schools.

The class of '48 opened the year by electing four officers who in turn appointed an advisory council of nine members to assist them in working out the year's activities. December 9 the class gave a five-act assembly to raise class funds, and February 15 a mixer and floor show were sponsored at Carpenters' Hall. This was followed by entertainment between halves February 22 at the Butte-Helena game; a movie, February 26, to help Teen-Square financially; and March 14 an Irish act on the G. A. C. Variety show. Early in March the officers and council decided to give financial support to class musical organizations and to award pins to class officers and council. The goal has been to sponsor activities which involve a large number of the class . . . The '48-ers hope to enlarge upon this program during the next two years.

National Honor Society

Meriting membership in the National Honor Society is an accomplishment coveted by seniors with a high scholastic record. Ten per cent of the senior class usually composes this exclusive organization. It is supervised by Misses Helen Laird and Burney Rice. Members must have a scholarship of at least 2.2, must have leadership ability, good character, and have attended Butte high school four years. In addition candidates must have proved their willingness to offer service to the school. From eligible students members are chosen by the faculty.

First row, left to right: Emily Gergurich, Rose Park, Geraldine Handlin, Caryl Bauman, Lois Jean Chauvin, Jewell Ann Gronley, Carolyn Jean Schwartz. Second row: Peggy Fisher, Betty Kelly, Mabel Tourikis, Althea Larson, Elsie Varcoe. Third row: Virginia Floyd, Mary Plummer, Jeanne Jones, Clara Mae Quinnell, Marion Amos, Mary Alice Helstrom. Top row: Harry Dahlberg, Gene Wilson, Don Christman, John Burke, Tom Bray, Eugene Kallgren. Members not pictured: Thomas Massey and Clarence Kelly.

Bottom row, left to right: Jeanne Jones, Mabel Tourikis, Carolyn Jean Schwartz, Clara Mae Quinnell, Mary Plummer, Marion Amos, Elsie Varcoe. Top row: Gene Wilson, Harry Dahlberg, Al Heimbach, Don Christman, Jim Glase, Eugene Kallgren.

Pepsi-Cola Scholarship Contest

Thirteen Butte high students, the 5% of the seniors voted "most likely to succeed" by their classmates, took the Pepsi-Cola scholarship test February 15, 1946. Two students from every state in the union and the District of Columbia, twenty from negro schools of the south, and one each from Alaska, Porto Rico, and Hawaii receive scholarships each year. The scholarships insure full tuition for four years of college, twenty-five dollars a month, and traveling expenses for one round trip from home to college each year. No Butte high school student was a state winner, but Don Christman won a Certificate of Merit worth fifty dollars.

Miss Agatha Kelly

Pan American Clubs

Miss Agatha Kelly's industrious Pan American clubs met the first and third Fridays of each month. By learning Spanish songs and giving reports of the various South and Central American countries, they reached a better understanding of the peoples of the Pan American republics.

A Pan American club member wears a gold pin on which is an outline in blue of North and South America. Around the edge of the pin are twenty-one links, symbolizing unity among the twenty-one Pan American countries. The Torch of Progress, the top and bottom of which is visible, is the background of the pin.

Bottom row, left to right: Irma Chabai, Irene Maryatt, Shirley Fordmeir, Charmaine Ernst, Joan Kiff, Pat Lavery, Shirley Helms. Top row: George Oechsli, Charles Shelton, Jane Thomas, Charles Youlden, Sally Adams, Ray Levra, Don Christman.

B. H. S. Pep Club

Butte high's mascot,
BUTCH

The Pep club has spent an active year serving Butte high school in its usual lively way. Its members could always be found right in the middle of things—cheering at games, working on assemblies, donating their time and energy for any worthwhile cause. The hard work and original ideas of Prexy Jeanne Jones and Sponsor Miss Lucille McQuaig plus the club's characteristic zip helped to put over its projects. Conducting food sales, selling programs at football games, sending the school paper to servicemen and making purple and white pom poms for the pep section at games are only a few of the many things it has accomplished this year. Pep club members wear their white sweaters with purple B's proudly for these symbolize school spirit, service, and fun.

Pep Club

Cleveland

Arc welding is one of the many interesting and useful trades taught at the Cleveland school. Students attend these classes, supervised by Mr. Charles Davis, for three hours a day and earn ten credits. The school is located at the old Cleveland school which is equipped with all modern machinery and tools used in the trade.

Woodworking

Woodworking is a two-year course. Here students learn the construction of cabinets, lamps, end tables, desks, and other objects under the able supervision of Mr. Carl Engelbach.

Cleveland

Grouped about the airplane motor are some of the boys enrolled in automotive mechanics, which is taught by Mr. Al Woodside. The motor is one removed from an Army airplane bought by the school for instruction purposes. These boys dismantle the motor, study its various working parts, clean it, and put it back together.

Machine Shop

Machine shop is an hour class conducted by Mr. Clarence Thomas. The boys receive five credits for this work and have a choice of articles to make. The equipment consists chiefly of steel lathes, drill presses, milling machines, an electric steel saw, and shapers. The group above is at work on their separate projects.

Ski Club

The Butte high school Ski club includes those students who enjoy the "king of all winter sports," skiing. Several of their number have brought laurels to the club from state-wide and other meets. This year the Ski club ordered arm insignia for their members and presented a mixer, which was a financial success. Faculty sponsor of this active club is Vice Principal Stanley Griffiths, who works right along with the officers and members.

Student Advisory Council

To guide Butte high school activities is the purpose of the Student advisory council, organized this spring. It is anticipated that the council will be a vital organization of the school through the coming years.

The council is composed of representatives elected by the various school organizations and by each class. The council meets each month with Principal George Haney and faculty representatives.

The work of the school clubs is to be co-ordinated by the council whose members act as an advisory unit to the administration in planning assemblies. It will direct school projects and drives. By planning in advance the council will prevent conflicting and overlapping activities. Its short existence has given promise of the useful part it will have in Butte high school functions.

MISS MARGRET MULLEN

Glee Club

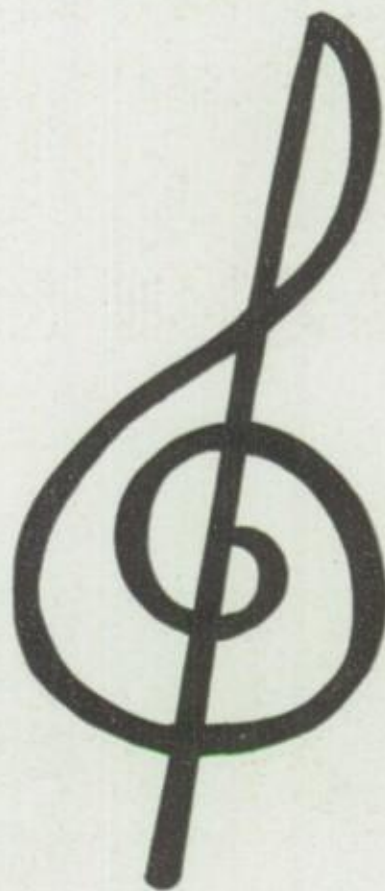

Throughout the year the Glee club has participated in various assemblies. A sextet from the group has sung at a number of functions outside school. Soloists also have been on school and civic programs. In class the singers have studied music appreciation and have sung two-, three-, and four-part harmony. Miss Margret Mullen has just completed her first year as their director.

These are the sections of the Butte high school band and orchestra. They are, from top to bottom: the percussion instruments, the strings, the brasses and the woodwinds.

FRONT LINE TWIRLERS, left to right: Jo Ellen Wills, Helen T. Kohn, Jacqueline Scalabrin, Jeananne Fisher; Bethel Brome, Lois Lizen, Double Flags; June Tierney, Barbara Pickthall, Shirley Fordmeir, Eileen Markovich; Lillian Merkle, Peggy Fisher, Shirley Downing, Lillian Sandbloom, Double Batons.

The position of head majorette for the Butte high band this year was capably filled by Beth Hubber.

Mrs. H. J. Schiesser is responsible for the intricate and original routines executed by the twirlers and color guard.

FLAG LINE, left to right, back: Dixie Griffiths, Pat Goodall, Marijane Livingston, Mary Herrick, Norma Bartzen, Jackie Scalabrin, Roberta Lee, Ione Kranitz. Front: Shirley Fordmeir, Dolores Quayle, Helen Kohn, Jeanne Guidoni, Helen Smith, Carol Wagner, Lorraine Weathers, Wilene Cortese.

Twirlers of 1946

The "M" club members are the girls who march in the regular twirling line-up. The twirling emblem on their white sweaters distinguishes them. The twirlers perform with the band on all occasions. Entertaining during football season, marching in parades and appearing in the concert are main activities of the corps. The Majorette club's president Barbara Leybold, is assisted by vice-president Shirley Dowling, secretary Eileen Markovich, and treasurer Roberta Lee.

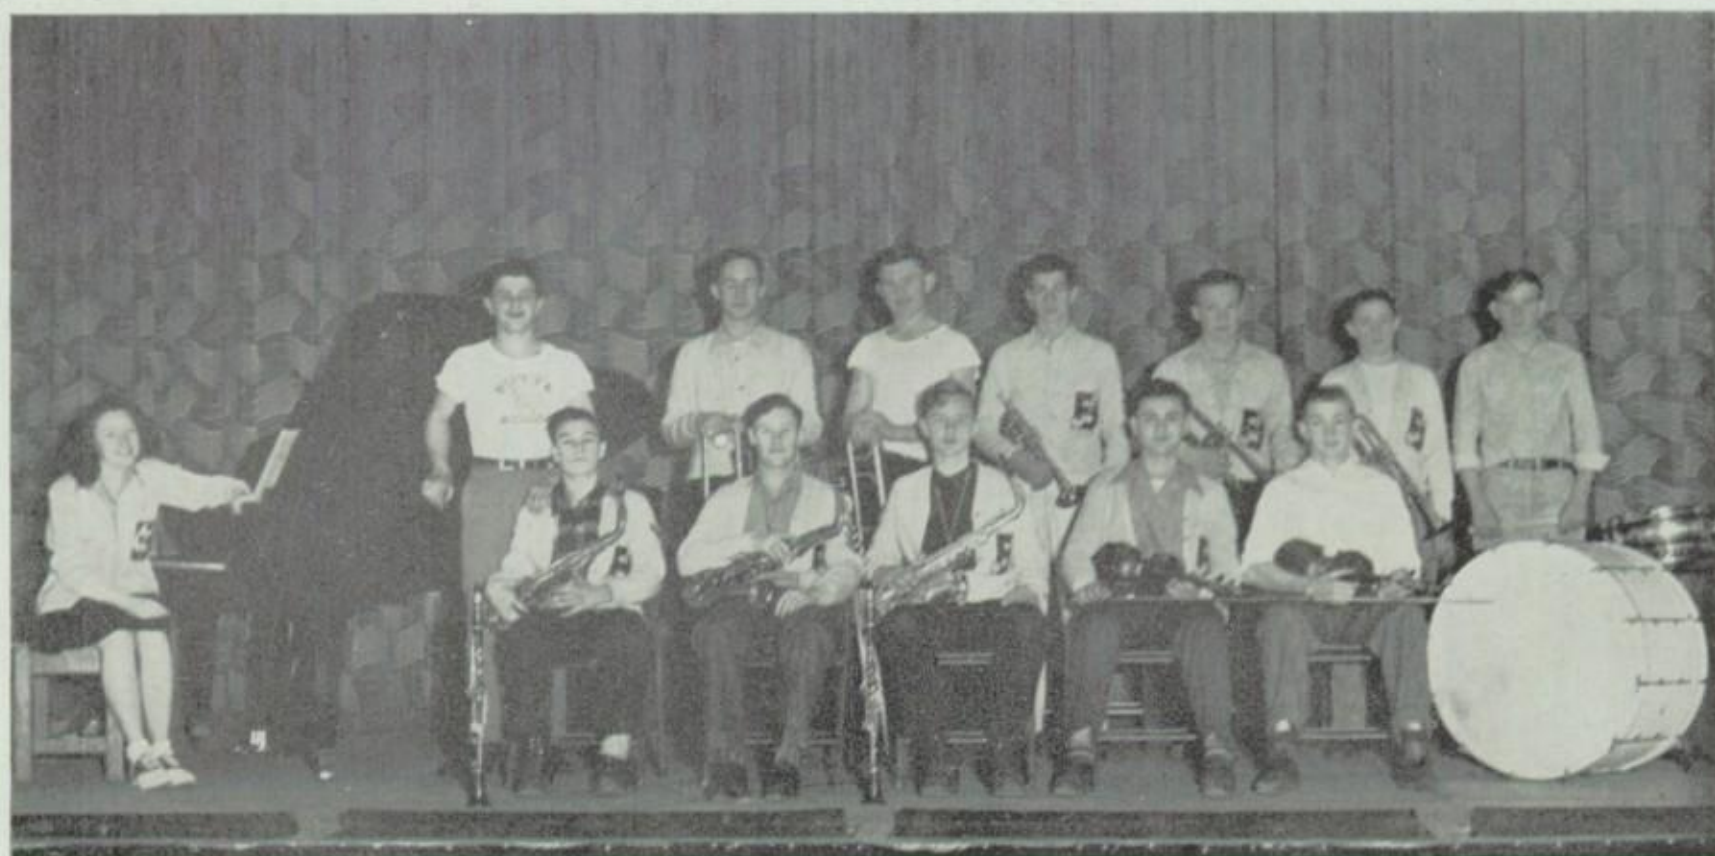

COLOR GUARD, left to right: Helen Jones, Jacquie Dunn, Joan Brew, Frankie Reardon, Darlene Hagemo, Marjorie Soll, Audrey Dobb, Jean Burke, Flag Bearer; Jane Dougherty, Virginia Strozzi, Mary Lou Hierholtzer, Betty Kelly, Jean McGregor, Carol Ulses, Jo Ann Grundstrom.

MUSIC AS STUDENTS LIKE IT—swing, boogie, jazz—has been presented at assemblies during the year by the two dance bands pictured on this page.

Jive Bombers

Front row, left to right: Peggy Fisher, Bill Kolman, Austin Purdy, Dave Noble, Paul Simitzes, Bob Johnson. Back row: Eddie Price, Bill Haller, Dave Oxley, Ken Judge, John Kolman, Wilbur Rodda, Charles Abraham.

FORREST FAME

UNDERWOOD AND UNDERWOOD

Sports bring fame, as the misty beauty of a waterfall brings distinction to the dense greenness of its forest.

COACH HARRY DAHLBERG

The 1945-'46 athletic season saw Coach Harry (Swede) Dahlberg start and finish his twenty-fourth year producing outstanding football, basketball and track teams for Butte high school. Since 1922 Coach Dahlberg has won eight state gridiron titles and six state basketball championships. In the track department, which is the Bulldog specialty, the Butte boys under Coach Dahlberg have walked off with eleven track crowns. No other high school mentor in the entire state has such an enviable record to his credit.

Football Squad

First row, left to right: Coach Driscoll, Dahlberg, Jr., Robinson, Vucurovich, Sullivan, B. J. Smith, McKechnie, McKinnon, Coach Dahlberg. Second row: Shelton, Kambich, Hatcher, Ambrozic, Johnson, Lindsay, Stears. Third row: Gibson, Morgan, Griffin, Graham, Menke, Elliott, Limb, Cohn. Fourth row: Moodry, Schulte, Calcaterra, Keyser, B. W. Smith, Cannon, Duffy, Le Prowse.

ED AMBROZIC
Guard

Ed is a junior and showed consistent blocking and tackling when given the chance

JOHN CALCATTERA
Tackle

John always played a bang-up game at plugging up the holes and will be in there again for another season.

RICHARD CANNON
Quarterback

Rich, Butte's passing back, a double threat man, will see action again next year.

Long-Long Pass

Goal Line Plunge

Best of wishes to a small Chemistry Pal Harry Dahlberg.

JACK COHN
Halfback

Jack, a fleet-footed blocking back, won all-state honors; was second high scorer in the Big 6. He'll be missed during '46.

HARRY DAHLBERG, Jr.
Guard

Being a hard fighting team-member, Harry won a post on the all-state eleven and has followed in his father's athletic tradition.

JACK DUFFY
End

Duffy is noted for his pass catching and blocking. He always came through when the going was toughest.

TED ELLIOTT
End

Ted, a lanky lad, was a stellar player at the end position in all contests.

BILL GIBSON
End

Being a real scrapper on defense, Bill could always be counted on to help the Butte eleven.

BILL HATCHER
Halfback

Playing one of the toughest positions on the team, Bill came through and will see action with the Purples in '46.

A Back Breaker

"44" Scores Again

BILL KAMBICH
Tackle

Bill, an all-state tackle, was a reliable gridder and was equally efficient at tackle or fullback.

TOM LEPROWSE
Center

Tommy, all-stater for two years, is only a junior. He's known throughout Montana for his outstanding defensive play.

RULON LIMB
Halfback

Rulon, wingback, merited a letter by playing sensational ball all season.

BILL LINDSAY
Fullback

Although only a junior, Bill earned a name through his rugged spirit and ability.

DAN McKINNON
Quarterback

Though not big, Dan's running and tackling counted in every fray.

BOB MOODRY
Tackle

Big and heavy, Bob proved to be a real fighter in the Purple line.

Rich Comes Through

Touchdown for Kambich

*12 end of 2nd H.

BILL ROBINSON
Guard

Rock, now a junior, has been a regular for two years. He's fast and is dynamite on both defense and offense.

BOB SCHULTE
End

This great end of the Purples is a most dependable pass receiver and punter. Bob ought to be a star again next year.

BILL J. SMITH
Fullback

A hard running fullback, Bill was also a defensive star backing up the Bulldogs forward wall.

Bill W. Smith
Tackle

Bill, a husky and rugged junior, saw plenty of action against Butte opponents.

Dan Sullivan
Center

His caution at center made Dan dependable especially when the going was difficult. He always gave his best.

George Vucurovich
Halfback

George, a junior, followed in his brother Matt's footsteps to become an outstanding Bulldog.

Bulldog Track

Track, under supervision of that Dean of Coaches, Harry Dahlberg, encourages individual participation. Each year a hundred or more students come out to try their skill in the many events on the track and field.

This major sport enables students to show their athletic ability and at the same time build their bodies through exercises which require skill and speed.

Of the hundred trackmen, the ten best are selected to represent Butte high at all invitational track meets and at the State meet in May.

MISS INGA HOEM

Miss Inga Hoem has completed another successful year as instructor of girls' physical education and Girls' Athleta club director. She is also publicity chairman of the Montana Association for Health, Physical Education, and Recreation, which includes all physical education instructors of the state. Under her guidance the Butte high tumblers have gained wide-spread popularity by entertaining for various local and out-of-town functions.

JEWELL ANN GRONLEY

Perhaps the senior girl with the most unusual athletic record is Jewell Ann Gronley. She is Montana State Women's Golf Champion and has held this title for two years. Jewell Ann also excels in skating and is girls' intermediate skating champion for the state. During her four years, she has earned more than 400 points in athletics and wears one of the three sweaters designating that achievement awarded here this year. Helen Varelia and Audrey Pochervina own the other two sweaters. During her senior year Jewell Ann conducted a golf class for girls.

Congratulations

To those busy and breezy youngsters who pursued the advertisers, wrote the copy, designed the pages and produced this book, an historical record of lasting value to the 1946 Class of Butte High.

We extend our congratulations also to the staff of the Mountaineer.

Their pep, ambition, cheerfulness and ability to get the job done, speaks well for their future, many of whom will not soon part from the scissors, paste pot, proof and printer's ink with which they came in contact for the first time while in high school.

The other members of the Senior Class, as well, are tendered our best wishes for their future, as well as our appreciation to the patient class advisers, who saw us through many difficult situations.

Montana School of Mines

Presents:

An opportunity for young men to acquire one of the highest type technical educations now available in the entire United States.

The Mineral Industries presents a field of high pay professional work in a lifetime occupation, in mining engineering, metallurgy, mineral dressing and geology.

The success of Mines graduates is shown in the positions of leadership in these fields, which graduates of Butte High School hold in many different parts of the world.

You are cordially invited to come out to School and GET THE FACTS.

Full college course or a business or trade school education

By Act of Congress, benefits of the G. I.
Bill of Rights are open to every qualified
young man who enlists in the new Regular
Army before October 6, 1946

Under the G. I. Bill of Rights every young man who accepts employment by the Regular Army before October 6, 1946, is entitled, after discharge, to education or training in the school or college of his selection at Government expense. For a period based on the length of his service, the Government will pay his tuition, up to \$500 per ordinary school year, plus \$65 monthly for living expenses—\$90 if he is married. After a three-year enlistment, for example, he may have 48 months of education, with a total of \$5,120 paid by the Government!

Full particulars may be had at the nearest Recruiting Station. This is YOUR opportunity to get the education you want and fit yourself for a successful career.

The nearest Army Recruiting Station is at
321 West Galena Street, Butte, Montana

Frank Zubick, Jr. and Helen McLeod, right, greet Al Heimback and Florence Whiteside at the Copper Bowl where they will enjoy one of the Chef's Special 85c Dinners and then dance to the music of Harvey Water's rhythmic orchestra . .

Everyone's Favorite!

Parents, as well as 'teeners, are enthusiastic about the Copper Bowl. The luxurious surroundings, the swift, competent service, the deliciously savory food are the reasons the Copper Bowl is the choice of the discriminating. Many groups have discovered the sheer, down-right pleasure of entertaining in one of the many beautiful banquet rooms at the Finlen. In them they enjoy the same expert service and skillfully prepared food as in the Copper Bowl yet have the added advantage of complete privacy for their own group. Next time, suggest that your Club or dancing group meet at the Finlen . . . They'll applaud your choice.

IN APPRECIATION of the many hours of tedious work put forth to make The FOREST a success, we, the staff of the 1946 Butte high school Annual, wish to extend our thanks

- To our engravers, the Ashton Engraving Company, for their ever-helpful suggestions, efficient work and special layouts.
- To our printers, Tom Greenfield, Inc., for their continued assistance in makeup, their never-tiring effort and the many extra aids which improved our book.
- To our cover manufacturers, A. Holum and Sons Company, Chicago, Illinois, for their kindness in accepting our late order and the excellent workmanship and material they put into it.
- To the photographers of Butte, Al's Photo Shop, Montgomery Studio, Rooth Studio, Williams Studio, Zubick Studio, Laretta's Studio, and Smithers' Studio, for their splendid photographic work and their courtesy.
- To our adviser, Miss Sarah McNelis, whose inexhaustability and skill made the existence of this Annual possible.
- To the merchants of Butte, our Advertisers, who have aided greatly in making this yearbook materialize.

Yes, this was our forest primeval.
And this was our book, the story
Of our four-year journey along
The winding trail of the forest.
Within the pages of this chronicle
You have seen our forest fun and
Fame and supporters; the underclassmen
To whom now belong the traditions
Which in future years will be
Their joy and their responsibility,
And our woodland guides, the faculty,
Who will lead other classes (as
They have faithfully guided ours)
Down the long and twisting way.
Your journey along the trail is ended,
Dear Reader; we hope you enjoyed it.

Bob
Driscoll
